SAFETY

Please read and understand these instructions before use.

PLEASE KEEP THESE INSTRUCTIONS IN A SAFE PLACE.

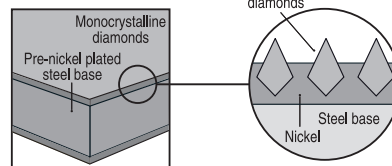

Users must be competent in using woodworking equipment before using our products. Consider working environment before using any tools. Ensure working position is comfortable. Please keep children and visitors away from tools and work area. All tools have a residual risk, so must therefore be handled with caution.

All cutting edges are very sharp and care must be taken to prevent injury.

Never sharpen blades towards the hand or body.

TECHNICAL DATA

The monocrystalline diamonds are bonded through an electroless process to a precision ground pre-plated nickel stainless steel base.

◆ Fine grade = 600 grit (nom. 25 micron)

ENVIRONMENTAL PROTECTION

Recycle raw materials instead of disposing as waste.

Packaging should be sorted for environmental-friendly recycling. The product and its accessories at the end of its life should be sorted for environmental-friendly recycling.

GUARANTEE

All Trend products guaranteed against any defects in either workmanship or material, except products that have been damaged due to improper user or maintenance.

RECYCLABLE

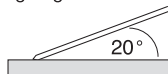

OPERATION REF. DWS/PFR

Correct Method of Sharpening a Knife

- Use softly and slowly with alternate strokes to either side of the blade, bring the knife down the length of the diamond steel as shown in the diagram.
- Use a shallow angle for fine or filleting edges and use a steeper one to achieve a boning edge.

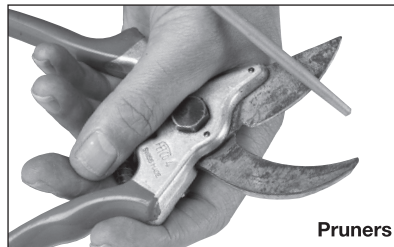

- Clean regularly with a dampened cloth.

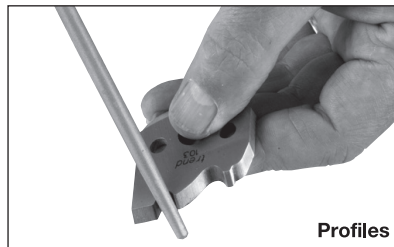

Other Uses for DWS/PFR

Knives

Pruners

Profiles

Serrated Knives

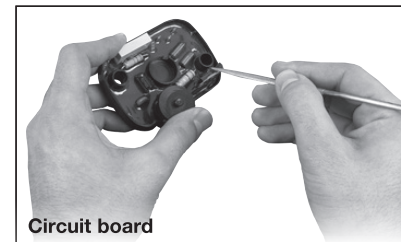

Turning Tools

Hoof Knives

Example of use of half round needle file DWS/NFHR/F

Circuit board

MAINTENANCE

Please use only Trend original spare parts and accessories.

This product has been designed to operate over a long period of time with minimum maintenance. Continual satisfactory operation depends upon proper care and regular cleaning.

Cleaning

- Clean with a damp cloth or use on a Trend cleaning block. **Order Ref. DWS/CB/A**

Lubrication

- Use dry only. Do not lubricate.

Storage

- Always return product to its packaging after use.

Our policy of continuous improvements mean that specifications may change without notice. Trend Machinery & Cutting Tools cannot be liable for any material rendered unusable or for any form of consequential loss.
